Sir:

INFORMATION DISCLOSURE STATEMENT

Applicants bring to the attention of the Patent and Trademark Office the documents listed on the attached form PTO/SB/08a. These documents are the U.S. patent family members of certain EP and WO citations having U.S. counterparts listed in the International Search Report.

Also listed are the literature articles and abstracts (copies attached herewith) included in the International Search Report as it is unclear if the USPTO received copies of these citations from the International Bureau. On this same point, copies of the WO and EP citations will be filed as soon as they are available to the undersigned.

The Examiner is requested to initial the attached form PTO/SB/08a and to return a copy of the initialed document to the undersigned as an indication that the listed documents have been considered and made of record.

You are hereby authorized to charge any expense in connection with this Submission to our deposit account No. 14-1140 for any fees required in connection with the filing of this paper.
